DEMANDS REDRESS

COMPLAINT MADE TO TURKISH GOVERNTMENT FOR ATTACK ON CONSULAR AGENT.

Mutiny Among Soldiers Being Transported on Steamer Flying American Flag, Followed by Assault on American Representative.

Washington.—The American embassy at Constantinople has made representations to the Turkish government in regard to the attack on John T. Peristiany, United States consular agent to Aleandretta, during a mutiny on board the coasting steamer New Jersey. The state department was so advised on Saturday by Charge d'Affaires Philip at Constantinople.

The New Jersey is one of the vessels plying Turkish waters which has been given American register and consequently the right to fly the American flag by the United States consul general at Constantinople, because it is controlled largely by Americans.

Agent Peristiany is a citizen of France, and was appointed American consular agent at Alexandretta July 16, 1908.

It appears that a sergeant instigated a mutiny among fifty Turkish soldiers who were being transported on the steamer New Jersey. When that vessel reached Alexandretta she was flying the American flag, and the American consular agent, John T. Peristiany, went on board to investigate. There he was set upon by the sailors and driven from the ship. During the attack his hatband was cut and his coat was torn off.

NAVAL BILL REPORTED.

Measure Carries \$125,421,533, Which is \$5,929,316 Less Than Current Appropriations.

Washington.—Carrying a total of \$125,421,538, the naval appropriation bill was reported to the house on Saturday by Chairman Foss of the navy affairs committee.

The bill carries \$5,929,316 less than the current appropriation, and \$2,044,621 less than the estimates submitted by the navy department.

The increase of the navy program calls for an appropriation of \$34,270,816, of which \$15,832,928 for the first year is inserted in the present bill. This increase contemplates two battleships of 27,000 tons, at \$11,835,408 each; two colliers at \$1,000,000 each; eight torpedo boat destroyers at \$825,000, and four submarines at \$500,000 each. The cost as given is estimated on the basis of building by private contract without restriction.

Criminal Libel Sult by Monarch.

London.—The News of the World says that King George's advisers have instituted criminal libel proceedings with the object of ending once and for all rumors freely circulated for years that his majesty when Prince of Wales was morganatically married to a daughter of an admiral at Malta. The defendant is Edward Mylius, who is said to be connected with the Liberator, published in Paris, which printed the statements on which the libel charge is based. Mylius was recently arrested.

Legislative Scandal in Colorado.

Denver. — Representative Judkins (Dem.) of Aspen created an uproar in the house Saturday morning by declaring that he had been approached by Speer men and told that unless he voted for Mayor Speer of Denver for United States senator he could not hope to get any bills through the house. Mr. Judkins' charge was made prior to the ballot for senator, the Aspen representative rising to a question of personal privilege.

A Truce in West Virginia.

Charleston, W. Va.—The differences between the Democratic and Republican members of the state senate were settled on Saturday and the Republicans appeared in the chamber for the first time since they went to Cincinnati to avoid possible arrest for refusing to attend sessions of the body. The agreement provides that the Republicans are to unite with the Democrats in another election of United States senators to succeed Nathan B. Scott and the late Senator Stephen B Elkins.

BURDENS LIFTED FROM BAD BACKS

Weary is the back that bears the burden of kidney ills. There's no rest or peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends sharp twinges through the back. It is torture to stoop and straighten. At night the sufferer retires to toss and twist and grown. Backache is kidney ache—a throbbing, dull aching in the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

Painful Symptoms: Backache, sideache, pains when stooping or lifting, sudden sharp twinges, rheumatic pains, neuralgia, painful, scanty or too frequent urination, dizzy spells, dropsy.

Urinary Symptoms: Discolored or cloudy urine. Urine that contains sediment. Urine that stains the linen. Painful passages. Blood or shreds in the urine. Let a bottle of the morning urine stand for 24 hours. If it shows a cloudy or fleect settling, or a layer of fine grains, like brick dust, the kidneys are probably disordered.

There is no moral health without human happiness. That Essential Struggle.

There are men who go through life without ever getting what one would call a throw-down or set-back—they never get to know what it means to face rough or tough weather.
